

This virtual academy, led by City-Parish technology and innovation experts, features a three-part training series designed to help Baton Rouge residents understand and unlock the full power of City-Parish data – where it's located, what it includes, and how to use it to understand trends and improve quality of life in our community. It is free to attend and open to any East Baton Rouge Parish residents. Registration is required and all sessions will be held virtually.

# JOIN US FOR THE CITY-PARISH'S INAUGURAL CITIZEN DATA ACADEMY

## SESSION #1 (BEGINNER)

### INTRODUCTION TO OPEN DATA

TUESDAY, OCT. 13 / 5:30 - 7 P.M.

Includes an overview of the Open Data BR and EBRGIS programs, the data available through each, and how to register and begin using the various tools within both platforms.

## SESSION #2 (INTERMEDIATE)

### EXPLORING OPEN DATA

MONDAY, NOV. 9 / 5:30 - 7 P.M.

Includes training and step-by-step instructions on how to download and add value to open data, create charts and maps, and use various tools to analyze City-Parish data.

## SESSION #3 (ADVANCED)

### PROBLEM SOLVING USING OPEN DATA

TUESDAY, DEC. 15 / 5:30 - 7 P.M.

Includes an overview of more advanced data analysis approaches, such as joining different datasets, conducting spatial analysis, and using the APIs available through our various platforms.

**REGISTER NOW**  
**BRLA.GOV/DATAACADEMY**

Residents are welcome to attend one or all courses, which are progressive in difficulty and complexity throughout the series. For more information and to register, visit [brla.gov/dataacademy](https://brla.gov/dataacademy) or email [opendata@brla.gov](mailto:opendata@brla.gov).
